

**BLESSING OF THE ANIMALS
AND DONATIONS TO BENEFIT
THE WALLINGFORD ANIMAL SHELTER**

Please join us in the parking lot of the First Congregational Church Wallingford.

Date: Saturday, May 15, 2021

Time: 10:00 am to 12:00 pm

For our monthly food drive, sponsored by Community and World Service and the Implementation Team, we will be collecting items for the Animal Shelter. Any human food will be donated to Master's Manna in Wallingford.

Bring your pet to be blessed and something to share with those less fortunate.

The Shelter does not need food. However, they are in need of lots of clumping cat litter, cleaning supplies like bleach, etc, laundry detergent, chews for dogs, and, of course toys for "tough chewers".

For questions, please contact Kathy Wallace at kbwallace@comcast.net or 203-265-7205.
