New This Year!!

Christmas Karaoke on Friday night during The Stroll!

We also hope to create a **Gingerbread House Village** with a tea cup auction so that lucky winners will get to take one home!

Please join us for a **Gingerbread House-making Workshop on Saturday, November 17 from 9:00am – 11:30am**. Dr. Bard Fuller from the Plantsville Congregational Church will be leading this workshop. Plantsville has created a successful Gingerbread Village for their annual fair for many years and Bard is thrilled to come and share his tips and tricks with us. Please see Cliff Castellano or Pastor Kathy to sign up for the workshop!

On **Saturday, November 17 from 9:00am – 1:00pm**, we will also gather those interested for a **Craft Workshop** where many hands make light work. Bring a craft you are working on, or come and help us take steps towards finishing projects. It will be a fun time of fellowship, conversation, and helping make this year's Fair a great success!
