

Musication Organ Introduction for Children and Youths

August 19th – 22nd, 10:00 – 12:00pm

August 19-22 (Mon -Thurs) 10:00 a.m. until 12:00 p.m. for children entering grades 3-9. Registration forms will be available Sundays in church school, and on the piano in Congregational Hall, or you can call the office Tuesday – Friday, 9:00 – 2:00 p.m. to register. **Registration deadline is Friday, August 16th.**

What will we be doing?

Finding out how the organ produces various sounds, exploring the physical set up of the organ from the blowers in the church basement, to the chambers where the pipes are and much more.

This study is a hands-on adventure. On Monday, we will explore what a portative organ is. A friend of mine is coming with her medieval portative organ.

I just received word that the orgel kids kit from the Greater Hartford American Organ Society is available for our dates!

We will get to take the organ apart and put it back together again! Then we will also explore the two organs we have in the sanctuary.
